

PBL SMARTPHONE PHOTOGRAPHY

ABC PHOTO CHALLENGE

Good photography is all about practice, practice, practice! Your task this week is to collect 26 photos. Feel free to collect more but try to make them interesting and they should tell something about you. Sound easy? Well, the real challenge will be that each photo has to be connected to each letter of the alphabet. For example, you may snap a photo of your arm for the letter A or an ant outside on your sidewalk or maybe even a close-up of your address. This is a pretty open assignment so be creative and have fun with it. You will need to have these photos for Thursday's class--no exceptions!
